Thea is a senior associate in the real estate team.

She works for commercial institutions, developers, investors and charities on a wide range of commercial property matters, including acquisitions and disposals, landlord and tenant work, corporate acquisitions involving property and real estate financing.

Thea joined Withers in January 2017 after working as an associate at Clifford Chance, where she developed a particular focus on acting for lenders on real estate financings, including high profile acquisition and development financings.

Thea has also worked on a number of renewable energy projects, including both on and off-shore wind projects.
