Year became partner: 2002

Overview

Astrid advises internationally based clients and their family offices, trustees and private banks on international trust, tax and wealth transfer issues, with emphasis on Continental Europe, the Middle East, the UK and the US.

She is particularly interested in the structuring of family businesses through the use of trusts, foundations and holding companies.

'..very client focussed, and technically able on US tax issues..'

Citywealth 2012

Highlights

Creating wealth holding structures for substantial Continental European and Middle Eastern families including planning to protect assets in unstable jurisdictions.
