Overview

[Cliccare qui per la versione italiana](#)

Davina provides assistance to Italian companies and multinationals on corporate matters, focusing in particular on day-to-day assistance such as the fulfilment of corporate governance duties in relation to the board's meeting and shareholders' meeting, as well as on extraordinary transactions such as M&A and corporate restructuring.

Highlights

- Assisting a leading Italian energy company with its participation in an European bid.
- Assisting a multinational company with the restructuring of its worldwide business.
- Assisting an Italian company belonging to a multinational group with the acquisition and subsequent merger into an Italian company.
- Assisting a multinational group with the acquisition of the entire share capital of an Italian company.

Memberships

- Milan Bar Association (Trainees' Register)

On a personal note

Davina's interests include travelling, reading and arts.
