Overview

[Cliccare qui per la versione italiana](#)

Georgia advises clients on corporate and real estate matters working mainly with UK/US clients who wish to establish a business in Italy or invest in Italian real estate.

Highlights

- Providing legal assistance to UK based clients and international investors on real estate in Italy
- Advising international companies seeking legal assistance in corporate transactions subject to Italian law
- Assistance in matters of corporate activities (general meetings, resolutions, etc)
- Negotiation and drafting of national and international shareholders agreements and international JV agreements
- Drafting of agreements related to agency, distribution, consultancy, sales and supply, trademark, know how and licensing for multinational companies
- Advising on International bank guarantees for Italian Companies

Publications and speaking engagements

Georgia has spoken on the following topics:

- Agency Agreements - International Assomoda Seminar
- Various Seminars on in-bound property investment into the UK
- How to Buy a Piece of Italy

Memberships

- Italian Bar Roll of Solicitors for England and Wales
- Registered as a European Lawyer with Law Society

On a personal note

Georgia enjoys travelling, playing tennis and looking after her two children.
