Mark is a partner in the corporate team.

He trained at Withers and qualified into the corporate team, where he works on a variety of company transactions, joint ventures, boardroom disputes, reorganisations, partnership and general commercial matters for national and international clients.

Mark's clients include companies and high net worth individuals who are active in a number of sectors including financial services, real estate, media and IT. Mark regularly advises clients on acquisitions and disposals of residential and commercial properties within corporate structures. Prior to joining Withers, Mark worked for an international shipping insurer with responsibility for regulatory and HR matters.
