Ria is an associate in the private client and tax team.

She advises on a range of taxation, trust and estate planning matters, including tax residence and domicile issues, as well as long-term onshore and offshore wealth structuring. Ria advises high net worth individuals and families, entrepreneurs and family offices as well as trustees and foreign advisors.

Ria trained at Withers and was previously a paralegal in Private Client and Tax team. During her training contract she completed seats with the Corporate Tech, Residential Property, Trusts, Estate and Inheritance Disputes and Private Client and Tax teams.
