Mattia is a partner in our corporate team.

He advises on Italian commercial law and international contract law and assists Italian clients in relation to their commercial interests as well as international clients investing in Italy. He assists in particular on M&A transactions with a real estate focus and has also gained considerable experience in dealing with commercial lease agreements and other contractual relationships pertinent to the retail sector.

He has also worked in Withers' London office where he advised several international investors with their purchase of high end property in Italy, both commercial and residential.

Track record

US investment real estate fund

Assisted a leading US investment real estate fund with their acquisition of an SPV which owned a trophy asset (for commercial and residential use) in Italy.

Foreign private investor

Assisted a foreign private investor with the purchase and development of a wine estate in Tuscany and the related winery and hospitality businesses.

Flagship store a Milano

Assisted a group with various international holdings with establishing a SPV to own a flagship store in Milan's high fashion district ('*Quadrilatero della Moda*').

Major Italian wine producer

Assisted a major Italian wine producer with worldwide distribution and commercial agreements.

Talks

- Mattia, together with [Roberta Crivellaro](#), spoke at a seminar for executives in the Italian food and beverage sector on the recent changes to the regulations governing exports and their business in general
