Jack is a trainee solicitor in the Charities team.

Jack's first seat was in the Corporate department where he assisted on a array of transactions including international M&A, investment rounds, restructuring and publicly listed companies. His second seat was with the Commercial Litigation team where he assisted with claims spanning the full life cycle of litigation and also focused on areas including commercial agents, insolvency, debt recovery and international asset tracing. Jack's third seat was in the Private Client and Tax team where he worked on a broad range of matters including estate planning, investment structuring and probate.
