+852 3711 1648

Daniel is a partner in the corporate team.

He focuses on cross-border and international mergers & acquisitions, joint ventures, private equity/venture capital and corporate and commercial matters relating to investment in the People's Republic of China and Hong Kong.

Daniel also assists Chinese companies navigate and mitigate risks and challenges throughout their outbound investment projects in Europe and the United States. He notably advises them in relation to country risks analysis, compliance with local laws and regulations, negotiations, transaction structuring, due diligence, company formation, financing, and exit mechanisms.

In each of these respective areas, Daniel advises clients (corporates, start-ups and individuals) across a diverse range of sectors, including advertising and marketing, retail, e-commerce, technology, fintech, insurance, family offices and financial institutions.

Daniel also advises senior executives and employers, from onboarding incentive schemes to exit packages and other employment related matters, like employment issues in tech.
