Simon is a partner in the real estate team.

Simon has 22 years' experience in commercial real estate, acting for institutions, lenders, family offices, HNWs, sovereign wealth funds and property companies. He specialises in high value complex investment and development transactions.

He has increasingly shaped his practice focusing on UK and international private capital, acting as a trusted advisor to his clients transacting across all sectors in real estate. Simon has developed long standing international relationships and has a very good understanding of the requirements of his overseas clients.
