Zoey is an associate in our corporate team.

Zoey assists private clients, family offices, businesses, and companies with a wide range of transactional, corporate and commercial work. She has a keen interest in cross-border investments, joint ventures, restructuring and acquisitions.

Prior to this, she has experience in advising companies and businesses in tax-related matters which include income tax, GST and the application of tax treaties and tax residency requirements during her training with the firm's private client, family office and tax team.

Her valuable experience with the firm places her in a well position to address clients' unique business concerns, needs and objectives.

External Publications

Contributed and assisted Erlene Tan with her publication of the Business Time Article: A lasting legacy via climate impact investing (Written by Erlene Tan).
