Siraj is an associate in the Withers tech corporate team.

Siraj trained at Withers, undertaking a variety of seats, including in the corporate and IP teams.

Siraj works as a part of the [Withers tech](#) team and assists in all aspects of corporate and venture capital work for IP-rich and high-growth technology and life sciences companies. He works with clients at all stages of the company lifecycle: from early stage pre-seed financings to Series A, B and beyond.

Talks

- Siraj has presented twice at the Corporate Update to the wider Corporate team. He has presented on the interpretation of 'substantial part' as found in a shareholders' agreement in a contentious setting and on the recent case of Dickinson v NAL Realisations (Staffordshire) Ltd and the importance of this to private companies buying back their own shares.
