**CATEGORY:**

VIDEO

**CLIENT TYPES:**

ART AND CULTURAL INSTITUTIONS

Withers has been advising on legal issues related to art matters for decades. Our clients include international galleries and museums, and highlights of our work include a number of the highest profile matters of our times.

Giulia Cipolini of our Milan office, explains how together with the global head of Withers' art law team Diana Wierbicki, our predominantly female team has a strong commitment to representing matters that help the empowerment of women.
