

## Art: Are you globally mobile?

19 SEPTEMBER 2019

**CATEGORY:**

PODCAST

**CLIENT TYPES:**

ART AND CULTURAL INSTITUTIONS

In this podcast, we look at the intersection of immigration and those working in the art world. Our host and art lawyer Diana Wierbicki talks to Reaz Jafri and Theda Fisher, about their extensive experience working with galleries, artist and art collectors' and their unique situations as globalization brings fresh challenges to the art world. Reaz and Theda provide insight and guidance on the effective management of global transitions, obstacles of global mobility, and a range of other international considerations when it comes to immigration strategies.
