

Art: Gifting globally

07 NOVEMBER 2019

CATEGORY:
PODCAST

In this podcast, we look at cross-border art philanthropy and naming rights. Our host and art lawyer Diana Wierbicki talks to Alana Petraske about collectors' global philanthropic goals as their passions and interests become more mobile. Alana discusses tax-efficient ways to support charitable causes worldwide, approaches institutions can take to fundraising globally, and concerns in the art world regarding naming arrangements.
