In this video, Ceri Vokes looks at the manifestos of the Labour party and Conservative party, and specifically what has been said and proposed in relation to income tax and capital gains tax. More specifically and looking forward, Ceri talks about what people should be thinking about and steps people may wish to take now.

We will also be discussing this in more detail at our seminar on 5th December, which you can sign up to [here](#).

If you have any questions regarding the UK General Election, please contact your usual Withers contacts. You may also wish to view our dedicated webpage which is being updated regularly before Thursday 12 December. [Click here](#) to view it.
