CONSULTANT | UK

CATEGORY:

[VIDEO](#)

In this video Jeremy Arnold looks at the manifesto from the Liberal Democrats and what they have to say about proposed tax changes.

Jeremy discusses why the Liberal Democrats could be pivotal depending on the result following the UK election on the 12 December, and the impact if there were to form a coalition with the Labour party and the SNP, or supporting a minority Labour administration.

If you have any questions regarding the UK General Election 2019, please contact your usual Withers contact. You may also wish to view our dedicated webpage which will be updated regularly before Thursday 12 December, [click here](#) to view it.
