Written by a team of leading experts from private practice, government, and academia, including the lead of Withers international arbitration team in the United States, Emma Lindsay, 'The ICSID Convention, Regulations and Rules: A Practical Commentary' launches today in Washington D.C. Emma authored Chapter 21 'Establishment of the Tribunal', kicking off the publication's Part IV: Rules of Procedure for Arbitration Proceedings (Arbitration Rules).

This new commentary on the ICSID Convention, Regulations and Rules offers a new forward-looking and highly practical interpretation of the convention and its associated documents. It is the first commentary to provide systematic article-by-article coverage of the institution and arbitration rules and administrative and financial regulations in addition to the Convention itself. This uniquely comprehensive work is deemed an essential resource for those in the investment and arbitration community and a 'go-to' reference work for international investment law and international arbitration scholars.
