Join Springboard Enterprises and Withersworldwide on September 29 for the [Dolphin Tank®: Fashion Tech](#) virtual event featuring women-led companies. This is a “friendly-feedback” pitch session for women entrepreneurs in [fashion tech](#) around the globe.

An interactive discussion led by an experienced panel, the event focuses on, “How can we help?” It’s not about sharks or piranhas but rather the objective is to provide connections and advice to enable female entrepreneurs in fashion tech to overcome challenges and capitalize on their opportunities.

Applications are open for women-led fashion tech companies from all backgrounds and locations. Interested applicants can [apply here](#) by **September 9**. All are welcome to [register](#) to watch, ask questions and share connections.

If you have questions about our criteria or need more information, contact anna@sb.co.

Panelists and Speakers:

[Gina Bibby](#), Head of Fashion Tech Practice | Withers

[Graham Webster](#), Head of Luxury Brands and Fashion Practice | Withers

[Anna Consani](#), VP of Community and Strategic Partnerships | Springboard Enterprises

[Francesca Danzi](#), Former Chief Client Officer | Tory Burch

[Jag Gill](#), Founder & CEO | Sundar

[Colleen Oates](#), Head of Agency Partnerships | Shopify

[Sapna Shah](#), Principal | Red Giraffe Advisors
