

Alan D. Gardner

PATENT AGENT | GREENWICH, NEW HAVEN, NEW YORK

+1 203 302 4085

alan.gardner@withersworldwide.com

Alan is a patent agent in our intellectual property and technology team.

His focus is patent and trademark prosecution. Alan's experience includes engineering, electrical, computer science and mechanical devices, working both for outside counsel and as in-house inventor/liaison.

Alan advocates for clients' intellectual property and business strategies, including international patents and trademarks in Japan, Canada, Australia, Korea, Malaysia, India, Europe, Brazil, China and Hong Kong, as well as the United States.
