Nicola is a professional support lawyer in the litigation and arbitration team

She is responsible for keeping our litigators and arbitrators up to date with legal and procedural developments, managing their legal skills training, and ensuring that know-how and precedents are shared and maintained. Nicola provides technical support for the London and BVI litigation teams and has a particular focus on the Jackson reforms, litigation funding, privilege and disclosure, and settlement of disputes.

Before taking up a professional support role, Nicola acted for a range of UK and US clients in the banking and franchising sectors, and was accredited as a mediator by CEDR.
