stefano.cignozzi@withersworldwide.com

Stefano is a partner in our corporate team.

He focuses on acquisitions, extraordinary transactions and corporate finance activities, advising industrial clients and private equity funds on a national and international basis.

Stefano also provides assistance on corporate and commercial matters for private equity investors, multinationals and private companies.

He has also acquired considerable experience in the banking sector, providing assistance with setting up credit facilities for ordinary finance, project finance and debt restructuring processes.
