TRACK RECORD

Acting on a refinancing of a Boeing Business Jet for an ultra-high net worth client with a major European bank

Acting on the acquisition and lease back of two Bombardier de Havilland Dash 8s for a Californian lessor

Acting on the refinancing of six commercial aircraft for a Californian lessor

Acting on the sale of two Bombardier CRJs for a Californian lessor

Advising on the repossession of four commercial aircraft on lease to an insolvent European airline

Acting for an ultra-high net worth client on the refinancing of a 270 foot superyacht

Acting for a family office on the sale of a 300 foot plus yacht (including negotiating a central agency agreement with the yacht broker)

Advising a family on the holding structure for a private jet

Working with the private client team to advise a family on the tax implications of moving to the UK and bringing the family's private jet

Advising on the sale of a Gulfstream G550 for an ultra-high net worth family

Acting on the acquisition of a Bombardier Global 5000 for a family office

Advising Renault Group, the French automotive company, on the acquisition of a controlling stake in Lotus F1. The process involved staving off Lotus's multiple creditors, who were intent on putting the group into administration thereby saving Lotus's 512 skilled workforce from redundancy

Advising on financing the acquisition of a 4* hotel and spa

Advising on the lease structure for a Gulfstream G550

Advising on the acquisition of a 210 foot yacht for an ultra-high net worth family office

Acting for a family office borrowing £21 million from a Luxembourg fund for the development of a substantial commercial building in North London into flats, including negotiating a private equity style profit sharing agreement

Advising State Bank of India in a £300 million loan facility for the acquisition of The Old War Office, 57 Whitehall, London. The landmark property, located in the heart of Westminster, was acquired by The Hinduja Group in partnership with Spanish development company Obrascón Huarte Lain Desarrollos. The site will be converted into a luxury hotel
