Ana is an associate in the immigration team.

Ana is a newly qualified associate in the Immigration Team. She represents both private individuals and multinational companies, and advises them on all aspects of UK immigration and nationality law as well as their immigration strategies.

Ana has been practising in the immigration field for over 8 years, working with high net worth and ultra-high net worth individuals, from assisting them with planning their relocation to the UK all the way through to naturalising as British citizens.

As a multi-language speaker, she finds easy to build relationships with clients and communicate to them in an easy manner.

Ana assists all types of companies, from start-ups to multinational corporations, with obtaining Sponsor Licences and sponsoring migrants for their business. She also advises companies on compliance and audits.

Ana has a special interest in advising EEA citizens on their rights under the EEA Regulations and the new EU Settlement Scheme, especially for A8 and Croatian nationals.

### **TRACK RECORD**

Whilst at PricewaterhouseCoopers, I was seconded for three months to a multinational company to set up the immigration processes. I provided in excess of 80 training sessions to recruiters, the HR department and support staff about UK immigration procedures and compliance issues under both, UK immigration and employment law.
