Ellie is an associate in dispute resolution team.

Ellie is an Associate in Dispute Resolution. She has a broad practice which enables her to advise clients and assist on cases across Media & Reputation Management, Employment and Commercial Litigation. She works with individual clients and organisations across a variety of sectors, including education, tech, finance, politics and fashion.

Within our Litigation and Media & Reputation Management teams Ellie assists on a both contentious and advisory matters. She has worked on contentious cases relating to civil fraud, misrepresentation, asset recovery and forfeiture, injunctions, misuse of private information, harassment, privacy and defamation. She has experience of providing pre-publication advice, preparing right to be forgotten applications and securing amendments to profiles on due diligence databases.

Ellie also advises and assists on employment matters, including drafting and reviewing terms of employment and settlement agreements. She has worked on claims relating to discrimination, whistleblowing and unfair dismissal.

Prior to joining Withers Ellie worked in primary education.
